### **WHERE DOES THE MONEY GO?**

This year Altona will be hosting the Western Canada Championship. The top three competitors will go to Quebec to compete in the Canadian Championship. So, the best competitors from the west will be in town this weekend. Some of the sponsorship money goes out as prize money, which in turn helps pay part of the way out to our competition. Some more of the money goes into making special equipment for the competition. Equipment that remains in Altona and can be used to train for future competitions. This year we will not run the festival competition, we had to move the date up in order to have more time between this competition and the Canadians in Quebec. Also, we will be posting videos of all the events on Youtube.com, so your signs will be visible on the internet.

### **HOW DO I BECOME A SPONSOR?**
